Dear Parent/Carer

Parent Support Group Focus: Maths – Our curriculum and practical ideas to support your child's learning at home.

We have arranged a date for our next parent support group, the focus is maths. During this session we will be looking at the curriculum and ideas to support your child's learning at home. This session will be delivered by Christine Marshall, class teacher and subject leader.

The session is planned to take place as outlined below;

Date: Tuesday 16th October 2018.

Time: 10:00-12:00.

Venue: Stone Hill School.

This is the first time this workshop has been delivered to parents and we anticipate the session will be popular.

Could you please complete the attached form, indicating how many places you require, and return it to school as soon as possible for the attention of Miss Exelby?

In the meantime should you require any further information, please do not hesitate to contact Miss Exelby or Miss Marshall.

May I take this opportunity to thank you for your continued support.

Look forward to seeing you.

Yours faithfully

Miss Jackie Exelby
Senior Learning Mentor.
