5th November 2018

Dear Parent/Carer

The next parent support group has been arranged as follows;

Date: Tuesday 13th November.

Time: 10.00 -12.00.

Venue: Stone Hill School.

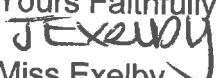

This session will focus on internet safety and be delivered by Andy Thompson, teacher and Computing lead. The session has also been planned to coincide with national anti-bullying week. During the week the students will be doing lots of activities around this topic.

Whilst the session may be more beneficial to students from Year 6 onwards, all parents are welcome to attend as there is the social aspect of the group, meeting other parents plus you may also have older children living at home who may benefit from the subject.

Feedback from parents who attended this session last year was very positive. You will find a synopsis of this session on our school website.

If you are interested in attending the above session could you please complete the attached form and return to school as soon as possible for the attention of Miss Exelby.

I look forward to hearing from you.

Yours Faithfully

Miss Exelby
