

Stone Hill School

Curriculum Plan 2019/20

Art Year 8(Arts Award Explore)

Intent: Pupils will use logbooks to record their observations and use them to review and revisit ideas. They will improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials (for example, pencil, charcoal, paint, clay). Pupils will know about key artworks, great artists, architects and designers in history.

Intended impact:

By the end of Year 8, pupils will have a secure understanding of how to generate ideas, designs and how to collect visual information. When working towards their final outcomes they will test techniques and materials, jot down additional ideas and develop concepts and compositions in their logbooks. They will use materials independently, selecting the appropriate materials and techniques to develop their concepts. Pupils will continue to refer to the formal elements as they master techniques to develop their concepts. They will be able to participate in discussions regarding key artworks and engage in analysis of these.
