

Stone Hill School
Curriculum Plan 2019/20
Humanities (History and geography)

Intent:
To develop a knowledge of similarities and differences in order to build coherent knowledge about the world in which they live
Explore past and present in order to develop perspective and judgement
Become familiar with community in order to build understanding of own world

Term	Week/s	Topic/Theme <i>Life skills</i>	Learning Outcomes Knowledge and Skills To know, to use, to apply...	Literacy Link Numeracy Link SMSC Link
Autumn	1-7	Discuss past and present	Examine own life and recognise somethings occurred in the past Explore changes within living memory	Numeracy – Timelines Literacy – Website information SMSC – Interaction with peers and the community.
	8 – 15	SEE Religious Education LONG TERM PLAN		
Spring	1 - 7	Explore differences and similarities between communities	Develop a positive attitude towards differences amongst people Explore their community and the people that live in it Explore different cultures Explore the concept of here and there	
		SEE Religious Education LONG TERM PLAN		
Summer	1-7	Introduce concept of countries (UK) and oceans	What is a country? World map Oceans	
		SEE Religious Education LONG TERM PLAN		

Intended impact:
Pupils will be able to discuss their world (family/friends)
Pupils will understand some people are different and similar to their own world
Pupils will have some understanding of now and then

In order that next year pupils can develop their ability to ask perceptive questions and build an inquiring mind
