- Again a well thought out meeting and the presentations were really good and really valuable to all of us. We count our blessings to where our children are, Stone Hill School. Thank you.

- Thank you very much again to all the staff for taking the time and making the effort for this meeting- namely J.Exelby, L. Chambers, J. Fisher and C. Taylor.
- Look forward to other session.
- If I could be given the phonic level to help.
- It would be really good if I could be informed of what level my child is working towards regularly.
- Please could you send home where my child is working on his phonics, what group level he is at, what you learn in these groups, so at home I know where he is and how to help him.
- I found out some very good information out from Mrs Taylor about my child.
- Can information please be sent out what level reading their child is at?
