

Parents Support Group 07-02-20 - Synopsis.

Workshop: Functional Maths and practical ideas to support your child's learning at home and out in the community.

- Total of 9 attended, including parents/grandparents, 1 in their role as a parent governor and Chair of governor.
- 8 feedback questionnaires completed.
- Analysis from Feedback as follows;

Did you find the session useful?

All 8 stated they found the session useful and made the following comments:

- To know what is going to happen in the future for our children and what you do to help them achieve.
- Very insightful- thoroughly enjoyed it.
- Knowing that my child is taught how useful maths is in real life.
- The explanations of how it is changing was interesting to hear.

What aspects of the session did you find useful?

- I found all of it was good to hear.
- Everything was very useful information.
- Everything.
- How to go deeper into the subject whether it is reading, maths or other subjects.
- Functional use of maths for pupils to understand maths better. Trip to Meadow hall was useful and interesting for pupils.
- The opportunities for parents/carers to compare their situation with that of others.
- I found the maths workshop very useful.
- That they work to your child strengths.

Did the session meet your expectations?

- We already let our child have responsibility with money. Counting, shopping and helping with telling the time with the clock. Homework and work together with the school.
- It was better than I thought it would be – loved it.
- Knowing what is taught at school and what I should help and teach at home.

Was the time convenient to you?

- 8 stated the time was convenient.
- Good time to come. Yes, but traffic can be busy.
- 10am is ok for a start time.

Will you attend further parenting support groups?

- I attend whenever I am able.
- Yes, I found it very interesting. And if it will benefit my son I will attend any.
- Yes, if it benefits my child's learning.
- Yes, I think its important to share views.
- Yes, very informative (well done).
- Yes, I feel attending parent support groups I learn many new things to support and help teach my child at home.
- Yes, I like to come as the other parents have lots of things/views different to yourself.

Any Other Comments

- Thank you for putting on these sessions. I really enjoy coming. Thank you for organising these sessions Miss Exelby and Miss Marshall.
- Very useful information that I learnt and enjoyed getting new information.
- I think the school works very well for our children and to work with parents, grandparents and carers has been very good.
- I am pleased that my son is finally learning with his maths. And not finding it hard, and not getting anxious and frustrated.
- Thank you very much Miss Exelby for organising this and the other events and Miss Marshall for her thorough presentation.

Miss Exelby
Senior Learning Mentor.
