Deputy Headteacher: Ms M Chapman

26<sup>th</sup> June 2020

It has come to the time of the year when we should be getting ready to say good bye to you and your friends of Year 11. I can remember how emotional the last few years have been when we have listened to the Green Day song and last year, when those Year 11s chose to listen to 'This is Me'. Lower School are not in school to sing you their song, and not everybody in the rest of school can be at the assembly either. Nevertheless, this year is just as emotional, but for many different reasons. But let me tell you this, this is not the end of your time at Stone Hill; this is not how you will leave. All of the members of staff are determined to give you the Leavers' Assembly that you deserve – even though it probably will not be the one that was planned, it *will* be one to remember. We will send you the certificates of your achievements, but we will save your photos and the words from your teachers, for when we meet again.

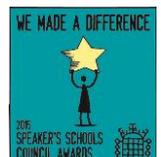

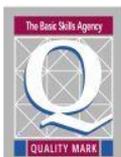

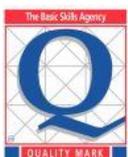

I am hoping that in the new school year, as September begins, I will be able to invite you to your end of year celebration. I am not sure what we will do yet, but you will be able to get your shirts signed, have a last Stone Hill school dinner and we will mark the occasion with a celebration.

I look forward to the day when we can do all of these things. We are very proud of you and this is not how we intended it to be.

I hope you are all safe and well and are looking forward to something to celebrate.

Mr. P. Scotting

Headteacher

Learning together and building for the future.
