

# Celebrating our Green Flag Award

The Eco Committee have been working hard over the last few years to raise the profile of the Eco Schools campaign in school, to ensure all pupils and staff work together to improve our environment.

It is with great pleasure to announce that Stone Hill School have achieved this coveted award. Mr Scotting is proudly holding our Green Flag with two of the Eco Committee members, Tyler and Alfie.

We are planning to hold an unveiling ceremony of our flag in the Spring Term. We will fly our flag with pride. Look out for the Green Flag award displayed in the school reception area.
